

## Graduate Structural Engineer – Full time role

### For Norwest Sydney Office

#### Summary

GEOTRON Engineering Consultants have a Graduate role available within our Norwest OR Central Coast office. We are looking for engineering Graduates and undergraduates in their last year who are innovative, creative, ambitious and looking to enter the structural engineering sector.

#### Your duties will include the following:

- Assisting senior engineers in the preparation of detailed engineering calculations.
- Assisting in the preparation of detailed structural engineering drawings.
- Drafting in AutoCAD
- Attending site inspections and preparing reports.

#### The ideal candidate will have:

- Completed or near completion of a relevant degree in Civil/Structural Engineering
- Excellent communication skills, both written and verbal
- A strong academic record
- Previous work experience in the engineering/construction industry
- A current driver's licence
- NSW White Card

#### The following skills are an advantage:

- Previous experience within a similar engineering design consultancy.
- Experience in using AutoCAD
- Experience in using Microstran or Spacegass
- Experience in using RAPT, ETABS, or SLB

#### Salary & Benefits

- Competitive Salary
- Access to office facilities; new gym, pool, games & function room
- Friendly and experienced team environment
- Ongoing professional development

Working directly under an experienced engineer. You will receive exposure to all areas of the engineering industry from design through to construction. The role will be a full-time contract requiring a minimum commitment of 37.5 hours per week.

We can provide undergraduate applicants with the flexibility to complete their studies in parallel before transitioning into a graduate role on completion of your degree.

At GEOTRON, we believe in providing personal service and developing close relationships with our clients. Leveraging over 30 years of experience in the industry, we provide the structural solution to help our clients achieve their vision.

To apply, please forward your CV, covering letter, and a copy of your latest academic transcript to [info@geotron.com.au](mailto:info@geotron.com.au)

You must be an **Australian Citizen** or **Permanent Resident** at the time of submitting your application to be considered for this role.
