

Senior and Intermediate Level Structural Engineers – Full time roles

Structural Engineers - For Norwest Sydney or Central Coast Offices

Geotron is a growing Australian owned Engineering Consultancy with offices in Norwest Business Park, Gosford and shared office in Sydney CBD. Following recent project success and ongoing expansion, we are seeking applications from suitably qualified and experienced personnel to fill the roles of Senior Structural Engineer (10+yrs) and Intermediate Structural Engineer (5+yr) for our Norwest and/or Central Coast Offices.

Our work is varied and challenging, working in industry sectors such as residential, sporting facilities, commercial, industrial and civil infrastructure.

You will be working within a collaborative team environment, with the support from other Senior and Principal Engineers.

Your key responsibilities will include:

- Preparation of conceptual design, detailed design and documentation.
- Carry out assigned tasks and achieve the delivery of projects in a timely manner and within the project budget.
- Attend design status and coordination meetings with clients and the project team.
- Manage construction phases and attend site inspections.
- Proactively collaborate with other team members.

Your qualifications, skills and experience should include:

- Candidate shall have relevant local (Australian) experience.
- Diverse portfolio of Structural Engineering.
- Experience in modelling and detailing of steel, concrete, masonry and timber structures.
- Ability to perform Structural Engineering independently or with minimum supervision.
- A commitment to Quality and adherence to QA procedures.
- Drivers Licence.
- Must have a NSW General Construction Induction (White Card).
- Excellent written and verbal communication skills.

Your personal attributes should also include:

- A desire to grow and develop your career.
- Professional and friendly personality.
- Ability to create rapport with clients.
- Enthusiastic and Motivated.
- Effective time management.

What we can offer you:

- Ability to grow with the business and develop as a leader of your field.
- Regular exposure to external clients, and the ability to create client rapport.
- A competitive salary commensurate with experience.
- Training and development
- A chance to develop your professional skills and be exposed to exciting career opportunities.
- Exposure to a variety of interesting and challenging projects.
- The opportunity to be part of a friendly team of professionals.
- Flexible workplace.
- Sydney Office has complimentary access to new gym, spa, heated pool and games room.

We can provide applicants with an agreed flexibility within the workplace.

At GEOTRON, we believe in providing personal service and developing close relationships with our clients. Leveraging over 30 years of experience in the industry, we provide the structural solution to help our clients achieve their vision.

To apply, please forward your CV, covering letter, and a copy of your latest academic transcript to The Director info@geotron.com.au

You must be an **Australian Citizen** or **Permanent Resident** at the time of submitting your application to be considered for this role.
